

MR16 POWER

MR16 POWER by GenLED Lighting is the new generation powerful 4W LED lamp with an exceptionally high performance. This lamp features a bold aesthetic design and innovative technology that offer an attractive and efficient alternate to the traditional MR16 lamps. These lamps are precisely engineered and manufactured with state of the art technologies and materials. Specially designed lens creates the sparkle that is equivalent to halgen lamps. The base of the lamp is GU5.3.

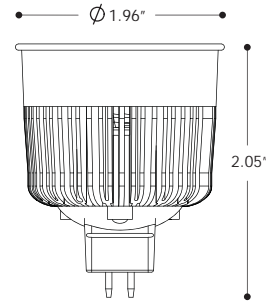

Recommended for use in indoor applications.
